

NOT-A-TATTLER

THE NON-OFFICIAL PROBABLY-NOT-TRUE TRUTH MAG
OF THE NOT-NPS SUPPORT GROUP.

SATURDAY of NOT-NPS 2011

VOLUME 1, ISSUE 4

IN EFFORTS TO KEEP NPS AS EXCITING AS NOT-NPS, POETS START FIRE, PASS OUT ON STAGE AND CROWN RACHEL MCKIBBENS UNDIES CHAMP AT MIT AT LIKE 3AM.

Ok, so maybe they're getting close. Like if we were to give it a slam strength, they'd be at a 5.87. But NOT-NPS is at a solid 6.

SEE RELTAED STORY: KIRE DANIELS TRIES TO EXPLAIN "Stength" system to NOT-NPS participants, but they just put their hands in the air. You know, like they just don't care. Cuz they don't.

HIGHLIGHTS FROM THE NOT-NPS SLAM MASTERS NON-MEETING

Jason Bayani, the NOT-NPS Official Fonzie opened the meeting with a reading of "Green Eggs and Ham," although read in Latin, or was that Hebrew? The only thing we really understood was the "Ayyy" a the end.

The NON-Meeting was filled with many motions. Dance motions. The Funky Chicken was performed as a group motion.

A motion was made to officially not acknowledge an organization named PSI, but nobody really knew who that organization was, or what they did, so the motion was tabled.

The NON-Meeting was completely efficient once the penguin shaped talking stick motion was approved.

The NOT-NPS participants voted to Skype themselves into the NPS finals audience tonight. But nobody is really sure how to make that happen.

SPIRIT OF THE NOT-SLAM was awarded to Lisa Straehley for NOT attending NPS and inviting us to NOT attend with her. .

Utilizing an alternative placement of the word "NOT" in the title, the committee chose to also award a NOT-SPIRIT of the SLAM to NOT Ms. Spelt.

NON-ELECTION RESULTS

NOT-EC : Shmamel the Seahorse (President)
Dan Sullivan, Anthony R. Miller, Rob Sturma

The Election came down the wire, with Wolverine and Stob Rurma in the lead with mere moments left in the election. But good conquered evil, and Shmamel's last minute bribe of Booty and Booty (a poet's favorite two things) swayed the vote and got his cabinet ticket elected. Sully's game plan of playing both sides worked in his favor...this time.

Investigations into just who Shmamel finds that the only thing Shmamel has been good for in the past is rhyming with "camel."
